8th May 2018

Dear Parents

Re: Changes to Data Protection Legislation

As you may be aware Data Protection legislation is changing and the new General Data Protection Regulation (GDPR) comes into force on 25th May 2018.

We are co-ordinating the changes within school and to ensure the continued safeguarding of children we have to alter our process re obtaining photographic consent for pupils. We now need to obtain all parents' consent for us to use their child/ren's images within school; eg we may use photographs as evidence of progress and as a record of different learning experiences. Please refer to the amended Photographs and Filming Policy before you consent.

A request for consent will be sent to your school gateway account. Please consent at your earliest convenience before 25th May. If you have any concerns, or only want to partly consent or decline consent please call Mrs Mosedale in the KS1 office on 01922 743621.

Yours faithfully

Mr Speirs
Headteacher
