

Y1 Autumn Term

English focus

Continue with RWI scheme and using phonic knowledge to support reading
Using retrieval skills to answer questions
Forming letters correctly
Writing full name
Using capital letters and full stops

Maths focus

Forming numbers correctly
Learn Its (number bonds to 10)
Counting in 10s, 5s and 2s
Reading and writing 2 digit numbers

Weekly home learning

1. School reading book
(Your child can change this daily).
2. Photocopy RWI book
(will be given weekly by your child's RWI teacher).
3. Learn It's – addition number sentences your child needs to know as facts.
4. Buzz Books (changed every Friday)

Continuous Provision

In Year 1 this year we will be introducing continuous provision in the afternoons. This will enable a smoother transition from EYFS to KS1 and encourage the children to be active learners and to take control of their own learning. We will set out challenging and engaging activities and give children the freedom to be independent choice-makers.

TOPIC

Our topics this term are
Paws, Claws and Whiskers
Bright Lights, Big City

Each half term you will have 3 challenges to complete and record in your child's WILD book. Please send photographs via Clasdojo if you want to share them or want them printing.

Mrs Davis, Mrs Doidge, Miss Felton, Mrs Westaway

KS1 Curriculum Information

How to help at home

Reading

Encourage your child to read daily for 10 minutes with the support of an adult.

When you are sharing a story together ask your child why they think something has happened or what might happen next.

**Please sign your child's reading diary every time they read.
They can earn certificates and prizes throughout the year.**

Maths

Learn its—each week the children will have focus 'learn its' to learn. They need to be able to instantly recall the fact, without working it out. Say it, write it, recall it.

Lunches and snacks

Children will continue to have fresh fruit daily.

Remember packed lunches should be healthy and balanced. Water is always available in the dinner hall.

Messages/Information

Sign up to the Classdojo app.

Class teachers will add regular messages and you can check on your child's 'dojo points'.

Please let the class teacher or the KS1 office know if someone different is collecting your child from school.

Forest School

During the Autumn term all KS1 children will have the opportunity to participate in Forest School sessions. Please send in wellies for your child to wear if you are able to.

Feeding Brains

We encourage the children to bring a sports style bottle to school filled with water as it is scientifically proved that sipping water throughout the day can hydrate the brain and as a result help the children learn.

In our quest to cut down on the amount of plastics we use in school, we ask that children bring a refillable bottle only.

**LEIGHSWOOD
SCHOOL**

Wonder, Investigate, Learn, Discover.
