LEIGHSWOOD SCHOOL

26th February 2020

Dear Parents/Carers,

The government is closely monitoring the spread of the Coronavirus. Public Health England has issued advice regarding the virus and it can be found at:

<https://www.gov.uk/government/publications/covid-19-specified-countries-and-areas>

It gives specific advice for anyone who may have travelled recently from key areas.

We have also received advice from our local authority which states:

Advice for parents/guardians

You should not be unduly worried about the possibility of your children catching the Coronavirus. There is no reason why your child should not continue to attend their early years, school or further education setting as normal

There is also a useful poster about Coronavirus published by Public Health England which can be found on the link below:

Kind regards

Mrs. M. O'Dwyer
